I always thought of myself as a sexual person, but it's hard to show it sometimes.

Then I met my 20 year old lover – and he truly brought out my wild side.

The first time we made love, it lasted all afternoon and late into the evening.

I came like six times and he climaxed four times. I didn't know men had that much in them.

Even though I'm no longer with him, I have had a few more young lovers, but my first was still the best. It was like rediscovering sex all over again. What I thought was pleasurable was only a prelude to passion. I've come out of my shell and want to share my experiences with someone new. That could be you if you call me. Please don't make me wait.

I love being fucked in the ass. All of my lovers have fucked me there at one time or another.

It's a much different sensation than being fucked in my pussy. The nerves are different and the tingling goes to another place. But when my ass and pussy are fucked at the same time, well, that just the best sensation in the world.

Baby, cum on. Baby do you like what you see? Then, it's time to get the party started.

I've brought the toys, but they are not enough. Do you have something I can use instead of this dildo? If you do, then I want you to shove it deep inside me and pump it as hard as you can. I can take it. Can you deliver?

A full-page photograph of Solana, a woman with long, dark, wavy hair, looking over her shoulder. She is wearing a shimmering, sequined bikini top and a light-colored thong. The background is a clear blue sky and ocean. The name 'Solana' is written in a large, white, cursive font across the middle of the image.

Solana

Long and tall and sexy as hell, Solana wows 'em everywhere she goes. We stopped this international jet-setter to ask her a few personal questions..

Solana, may we ask – how is your sex drive?

My, but you don't waste any time. It's fine and I love having it. It gets me into trouble now and then, though.

Really? Can you tell us about a time, or two?

Well since I travel a lot, I find myself on airplanes at least once a month. One time, flying from New York to Chicago I was sitting in the back of the plane with my boyfriend at the time. It was a night flight and we started fooling around under the blanket. I jerked him off as he pretended to sleep. However, I think the stewardess knew what we were doing. Then there was a time, with another boyfriend who was a bartender, that I blew him as I was kneeling under the bar while he served guests. That was hot.

You sound adventurous. Have you tried girls?

Yes. I like girls. Some of the best sex I've had has been with girls. They know how to please other girls. Besides, I like to lick pussy — tastes sweet!

A full-page photograph of a woman with long dark hair, wearing a silver mesh top, lying underwater. She has her eyes closed and a serene expression. Her hands are resting on her lap, and she is wearing a ring on her left hand. The background is a deep blue with some fish visible in the distance.

Some girls say they can tell within the first two minutes of meeting a guy if they will have sex with him. Can you tell that of a girl you meet?

No, girls are harder to read. You don't know if they are attracted to girls so you have to play it straight. But if I can tell she likes me, then it's pretty easy to get them.

So you like casual sex?

Sure, but I'm very careful about who I will share my body and feelings with. I have to feel comfortable with them. Some guys can come off as really weird even if they aren't when they try to impress or talk to you.

You're such a stunner. What does it take to get into your pants?

Well, no one has ever put it quite that way, but it just takes the right words. I'm very picky because I know a lot of guys would like to be with me. I'm in a glamor business and most think that sex goes right along with it, but it doesn't. I like to be wined and dined. Nothing fancy is needed, but a good conversation is the first step into the bedroom.

You know we have to ask you what you fantasize about. Will you tell us?

Sure, My favorite fantasy is to be snorkeling in the nude with a guy right above me with his huge cock inside me. We'd swim in sync in beautiful waters looking at the undersea life. Now that would be really exciting. Okay, now it's your turn... What's your fantasy?

That's easy -- YOU!

Hailing from Hotlanta, Anna Belle shakes her booty at clubs every weekend. That's because her job is as a go-go dancer. Anna Belle says her best asset is her booty and so far it has helped pay her bills.

I'm a really sexy dancer at the club. We work for tips and I'm always getting the most. One night I got a C-note dropped into my cage, but I realized that the black pantyhose I was wearing had split and my cootchie was showing.

Some of the girls thought I did it on purpose to get bigger tips but I didn't. It just happened because I really get physical inside my dance cage. Really.

Anna Belle

I love booty calls. I like to be the one to make them. When I get out of the club around 4am, I'm usually pretty stoked and full of energy and like to have sex to release it. When I'm really horny, I call Derek (you know who you are) and he comes right over. We've been fuck-buddies since college. No strings attached, just good, clean quick sex.

Derek says he doesn't need to cum, but I do. So I make him eat my pussy and fuck me until I cum. Sometimes it's ten minutes and sometimes he has to work at it until the sun comes up.

I've never let Derek into my tight ass. I'm saving that for marriage since everything else sexually has been given to my lovers. But I can't wait too long.

I love dressing up. There is nothing more seductive than nice lingerie. If I feel good and I think I look good, I'm going to be a better lover.

Letters From Our Readers

Comments on the magazine, the sexy ladies, and our readers' thoughts on sex.

45 AND STILL GROWING

Dear Gabrielle,

"Hi." My name is Blair. I am 6 feet tall. I am single. I am 45 years old. How old are you. I like your style. How old are you I want your address please. Do you wear glasses? I want to date you. I want you to wear glasses, black nylons, black or short dresses, see-through shoes. Do you drive? Do you live in a house, apartment?

— Blair, ND

Gabrielle has sparked many of our reader's imaginations. But to all that have written in, or are planning to; we just cannot tell you where she is. Keep using your imaginations.

Dear 50+,

In your issue of 50+ magazine Vol. #5, you had a layout of the 55-year-old from Austin, Texas named Kis-

sandra. I think she is very hot!!!! And sexy, with a sexy pussy. I am a 49-year-old guy. Please put her in one of your layouts. I really like to meet her. Yeah I really can't handle her, I am a mustang kind of guy. My question for her is can she ride this mustang? If she thinks she can please tell her to write me back. And I still think that you should keep doing letters in your magazine. I love to read them.

Also in the issue of the jumbo double issue of the best of 40+50 Vol. #59 you did a layout of the 42-year-old Dixie who is also from Austin, Texas. She is a sexy hottie too!!!! Again this mustang can give her the raunchy rough, dirty, nasty sex that I know she needs. I am 46 years old and I love your magazine. Please put her on the same layout with Kissandra and please put Kissandra on the cover. And please tell them or ask them to please write me back. And please bring back letters. I love reading them in your magazine.

— Mr. Mustang, Atlanta

Well, Mr. Mustang, is it? You like to ride them hard? We've printed both your letters above but are confused by your age difference. Are you 49 for Kissandra and 46 for Dixie? If you are, that's cool. We don't tell the DMV our real age also.

Just for you, we'll try to contact Kissandra and Dixie (but it's been a while) about doing another photo shoot and magazine layout (don't hold your breath). Even if they don't do it, we hope you'll like reading your letters in our magazine, too!

WIFE'S WORK IS NEVER DONE

My wife was ready to leave me because I'd been concentrating more on my career than our relationship. I talked her into taking the drive to Dallas with me, hoping things would change. Ashley is a wonderful woman, and I didn't want to let her go. We needed some quality time together to rekindle our love and, hopefully, some of the sex that had been missing over the years. We left that Saturday morning saying very little to each other.

We arrived at our hotel, unpacked and decided to get something to eat. Although it was three in the afternoon While we were on the way to the restaurant, we passed a few strip bars and started commenting on how it's been since college that we had gone to one. We decided to stop into Harry's Heaven, a small club well away from the big glamorous clubs that are all over Dallas for a drink first.

There were only a few other people there, and we were escorted to a booth towards the back and ordered our drinks. There was a young blonde girl on stage seemingly just going through the motions. She had big, floppy tits but a cute little body. Ashley and I checked out the dimly lit space as the girl went through her "sexy" routine. After our drinks came, one of the dancers came over and introduced herself to us as Riley. She was about 22 years old, with shoulder length hair. To our astonishment, Riley came right out and asked Ashley if she wanted a lap dance. We excused ourselves and asked her to come back later. We discussed her offer and Ashley was intrigued by the possibilities.

Another round of drinks was all it took to get her to agree to have Riley do a sexy table dance, but soon became more than a dance. Slowly Riley finished her standard dance moves and began to take off her black top and rub her breasts. She took off her bottom, leaving herself totally nude except for her clear-soled, high-heeled shoes. She leaned over and whispered something into my wife's ear and Ashley slinked down and pulled her panties off under her skirt.

She then unbuttoned her top and released her boobs from their confinement. I looked at what was going on and kept my mouth shut. Riley motioned over to the bartender and then the lights dimmed in the back area with the booths. Our table was only lit by a large red candle and the ambient light in the club. As my eyes adjusted to it, I noticed that Ashley and Riley had begun to suck on each other's beautiful tits.

Riley got down on her knees and started licking Ashley's clit, then snaked her tongue into her gash. She slid a finger in my wife's pussy and pumped it in and out, while wiggling the tip of her tongue against Ashley's clitoris. She plunged deep into Ashley's cunt, lapping at the tangy walls and causing Ashley to shudder with an orgasm that left her hanging onto the tabletop.

Riley rose up and sauntered over to where I was sitting and gave me a sloppy kiss that made sure that I sopped all of Ashley's sweet juices off her hot tongue. She straddled me and ground her pussy against my

crotch. My cock was filling with blood again, and was soon huge. I put my hand between Riley's legs and slid my fingers up into her soaked pussy. I pressed my cock head against slit, and in a brief moment I was inside.

With a squeal, she pumped up and down on me for a few moments. Ashley knelt on the floor behind Riley so she could lick her sweaty ass cheeks as I boned her. Riley lay on top of me, and Ashley put her mouth between the dancer's legs. I could see my wife licking Riley's cunt as I fucked her. Her tongue was wet against my cock as it slid in and out of Riley's dripping snatch. She climaxed with a scream. Just as I was about to come, I pulled my cock out of Riley's pussy and stuck it into Ashley's. My wife was so worked up that I had her climaxing in seconds. It was a good thing too, because I was right behind her, spewing most of my load into her deep pussy. I saved the last few drops for Riley, who let me squirt them on her breasts. She took her fingers and swirled up the cum and began to lick it off them. She put a big glob in her mouth and leaned over to kiss Ashley. The two shared my love juices as the candlelight flicked and then died ending the show in darkness.

Ashley and I didn't hit the road for a few more days, never leaving the hotel, except for the day we spent at Riley's place, having enough sex to fill several issues of this magazine. Furthermore our erotic three-way affair with Riley saved our relationship. I'm happy to say that Ashley and I are now happily married.

The summer after I turned 51, I divorced and moved to a new town. I found a quiet neighborhood with several families living on my street. Over time I met most of them. Across the street lived the Lewis bunch. Six kids in the house and a couple more in college. The oldest daughter was named Olivia and she was home after graduating nursing college. She was a very pretty girl with a caring heart. When I moved into the neighborhood and she found out I had just divorced, we would talk for hours about relationships, and she would tell me of her high school and, later, college boyfriends. I told stories of my wife and kids. About love and hate and infidelity.

Olivia favorite stories were of boys trying to get into her pants, but she wanted to save herself for the right man. When she went away to college, our time together was much less and the stories less bold. In college, she started wearing skimpy T-shirts that left little doubt about the size and shape of her gorgeous breasts. Her shorts became shorter, but that seemed okay because she was working out and developed into a outgoing girl with a tight body. I understand that she developed a reputation as a champion cock teaser, a young lady who let everybody know just what she had but didn't let anybody touch.

I suspected that she had a boyfriend in college and that she was

saving herself for him. Still, she was always friendly to me, and I saw a lot of her at one place or another in the neighborhood. She worked out at the athletic club just down the street from our

COVET THY NEIGHBOR'S DAUGHTER

houses. I worked out there as well, and we often spend time together they are. She always wore running shorts that were as thin as skin and a slim bikini top that allowed her boobs plenty of fresh air as she worked out.

One afternoon after working at the club, Olivia and I walked home together. She told me that she was feeling stiff for some reason. She asked if I might possibly give her a back rub when we got back.

This opportunity merely to touch her, even if it was just a back rub, was like a dream come true! Yes, I have had those types of thoughts about her, but have been very careful not to say or show anything about my middle age lust for her.

As it turned out, Olivia's parents and siblings weren't home, so we had the house to ourselves. She let me right into her bedroom, kicking off her shoes along the way. I followed her like a dutiful puppy, through the hallway and up the stairs to her room. When we got there, she plopped herself face down on the bed. Her shorts outlined the shape of her sexy ass. It was wiggling invitingly, and filled my head with all sorts of ideas. "This is going to feel good," she said, slipping off the shorts. I had no idea they even made such skimpy pants. These were tight and revealing. "Oh well, I guess I might as well take these off as well," she said, slinking out of her panties, too.

The room was suddenly filled with the tart smell of pussy. With my monstrous hard on, I was tempted to take off my shorts too! With her legs spread and her ass lifted slightly, Olivia's pussy was plainly visible. From this rear angle I could see some wispy dark hairs. Mostly though, what I saw were too tantalizing pussy lips, glistening with her sweaty nectar. As I wondered whether she had ever been

fucked, or whether she fingered her young cunt in bed at night, I felt my cock twitch uncontrollably.

"Hey, how about that back rub?" she said with a laugh, knowing full well that giving her a massage was probably the furthest thing from my mind. But, getting back to it, I started doing what I'd been invited over to do.

I began with her shoulders, squeezing them gently. Her shoulder and neck muscles were extremely tense, but after a few minutes of rubbing, they relaxed considerably. I worked my way down her back, massaging a small patch at a time. She made soft moaning sounds and moved her body sensually against the bed as my hands traveled down her trunk. Now it was time to do her ass. "That tickles," Olivia giggled as I worked the rounded cheeks with my fingertips. She loved it.

By the time I had massaged her thighs, calves and feet, it was all I could do to keep from cumming in my shorts. I was ready to run out of there and head straight home to jerk off, when Olivia turned around and said, "Would you like me to do you now?"

Before I could answer, she had my shirt off and was easing me onto my back. She pulled my shorts down past my knees, then my underwear, which snapped past my cock with such a force, I could swear the house moved. That didn't surprise me, since I felt as hard as a hammer. I closed my eyes, waiting to feel her turn me around so she could rub my back. But the next thing I felt, however, was her warm, wet mouth on my firmness. I opened my eyes to see her head

moving up and down and her soft warm tongue lapping all of my cock with amazing energy.

With her other hand she rubbed my cock bringing it back to life and when it did, she leaned over and licked it some more.

"I hope you don't mind if I skipped the back rub and do this instead," she didn't wait for an answer. She just went right back on sucking me off. It was the first head I'd had in the five years since moving, and I felt more incredible even than I'd imagined in my wildest fantasies. Olivia's mouth moved smoothly up and down my cock. Her teeth never touched it. I could feel the tip of her tongue massaging my sensitive vein. She pumped me as she stopped, almost sending me over the edge. When she took my balls in her mouth and gave them a good soaking. I felt her tongue separate them and lick each one. I said, "Are you trying to make me cum?" She let her eyes answer me. They seemed to say, "What do

you think, neighbor?" She went to work at a feverish pace, taking my meat all the way in, her tongue moving against it like dog licking his last bone. Every few seconds she take her mouth off my cock to urge me to shoot my load. Finally I was ready to explode and told her so. Olivia backed her head away but kept pumping with her hand until the spunk flew out of my prick in a torrent of light globs that landed right on her extended tongue. She kept stroking my cock until it was emptied and soft.

She then crawled up on me and sat right on my face. "Sorry, you'll have to finish me off now. That got me too excited!" she said. "But hurry, my parents should be home any minute." I thrust my tongue deep inside her wet slit as she held her pussy lips apart and fingered her clit. With her other hand she rubbed my cock bringing it back to life and when it did, she leaned over and licked it some more. She finally came as her body shuddered on top of mine. She straightened up, got off me and gave my cock one last lick. Then, unwillingly, I got up to leave.

Olivia and I have since spent many such afternoons together. She now comes over to my house for the privacy. She tells her parents that she's out looking for a job, but I'm the one getting the blow by blow. We go down on each other all the time and she has learned to swallow my cum. And thanks to her, I have become an expert at eating pussy. I don't know what I'll do if she finds a job or a guy her age. But for now, that's what I call right neighborly.

ask Dr. Sabrina

returns with more words from – and for you

Dr. Sabrina,

On a nice spring day my girlfriend and I were sitting on a blanket at a city park looking at a 50+ magazine. And my girlfriend asked the question. She asked me if there is a spot in her asshole that can make her come, better than she comes from her pussy. The reason she asked that question is we have oral anal sex and when I am eating her asshole I hit a spot that she says feels very good. I am really turned on by women with hairy assholes. I shave her often so that it will grow back thicker and bushier. Please give us your input on this subject. I hope to hear from you real soon! Thank you for taking the time to hear my feelings!

– Ted, St. Louis, MO

Hello Ted,

First let me say how nice to hear that you and your girlfriend share and explore sex so openly. I have learned that couples who do have a much calmer and positive relationship than those that are more uptight about it.

As far as a spot in or near the asshole being more sensitive than the pussy, it has been shown that both areas are very sensitive and that it varies with the individual. For this discussion, let's assume that female partners are open to anal pleasure. When the anus is stimulated, it has its own singular sensations. While they are sexual and pleasurable, they are often more sensitive because that area will not be stimulated as often as the vaginal area. Many women can orgasm anally and enjoy it immensely. But is there a "G-Spot"

there? We can say that one has not yet been found. There are, however, many working their butts off trying to discover it.

Shaving the anal area can be a real problem at times. When it is smooth, it's great and a lot of fun. However, when hair starts growing back, it can be a very prickly situation. If your wife can tolerate the days it is uncomfortable, then by all means enjoy doing what you like.

– Dr. S.

Dear Dr. Sabrina,

I hope you might be wondering as to who is this guy that has written to me? Anyway I am Stephen, 35 years old experienced orgasm giver and resident in Toronto, Canada.

Having read your page in your magazine of July 2008 edition, I was moved by the story told by "Ms. C. Mercedes" in the rich older bitch and the pump jockey. I enjoyed reading the story which moved me to respond by writing to you because I also believe I can do more than that. Trust me whenever I look at your nice pussy, I lick it in the magazine but I want it to be real where I will stretch my viper-like dog tongue to tickle your clitoris to give you the enjoyment you want.

Have you experienced orgasm seven times before? I have the tricks, techniques and all that needs to be applied on you to have that experience (once) for the first time and more.

You are experienced but I have more to give you that will be new and enjoying to you and will live with it forever. You will not know and enjoy it until you reply for us to meet. Give me your phone number and photos.

– Stephen, Toronto

Stephen, you flatter me. You must truly be something. I have not climaxed seven times, but I do remember several of them. If you have the tricks and techniques you say, think about sharing them with the world.

– Dr. S.

*Hi there. I'm Elena
and I love sex. I just
phoned my friend
Krystal because she's
hot and really knows
how to lick my pussy.*

*I'm Krystal. I'm
going to suck on
Elena's clit and
make her cum.
Wanna watch
me do it?*

*elena
krystal*

ELENA: Krystal is my best friend. I can booty call her almost anytime and she'll come over. I'm horny a lot so she's over a lot.

KRYSTAL: I love the smell and taste of Elena's pussy. She perfumes it and I can't wait to sniff and lick it. Shaved pussy is great.

My girlfriend set up some male meat for me to sample and I can't wait to tell you about it.

→ I'm lying in my bathtub in my large bathroom with my girlfriend Shawna sitting on the commode talking with me. I'm composing this blog on my laptop as she tells me of some surprises in store. I'm sitting here in my bath, the hot water warms around my body making me feel relaxed and ready for what Shawna says is to come. She and I have been faithful lovers for a long time. She knows my secrets and I know hers. She knows that the only guys I have ever fucked were back in high school. I've been with girls ever since and have expressed to her at different times what it would be like to fuck a guy again.

She comes over to the tub and takes the computer from me. She is dressed in a cute purple T-shirt and cut off jeans that show off her long sexy legs. She lays the computer on the sink, picks up a dark hankie and asks me if I'm ready. I say I am and she comes over and ties it around my eyes so I cannot see. I have already cleaned myself and am now waiting. I think to myself how will this all work? Shawna gives me a soft but firm kiss on the lips and I hear her walk over to the bathroom door and open it. I hear some mumbled words between her and a man but cannot make them out. His soft footsteps walk over to me and I think he is barefoot. I sense Shawna go back to her previous seat and then feel hands on my hair.

My pussy begins to tingle and my nipples tighten as the hands now caress my face. They are obviously male, but the touch is soft and reassuring. He takes my hand that had been squeezing the bathtub rim and places it out on his cheek. It is smooth and chiseled. He pulls it down his neck and onto his chest. There is no shirt. My pulse quickens and I entertain thoughts of stopping this before it goes too far. But before I can even mutter a word, he places my hand on his erect cock and I give out a quiet moan. Oh my God, it's a real, and hard, penis in

my hand. It feels much different than the rubber dicks and dildos Shawna and I use. This is alive and quite hard. It feels just right in my hand and I give it a little squeeze. That must have been good enough for the guy because he lets go of my hand and places his on my breasts. All of a sudden I got conflicting erotic signals, my hand on his cock, his hand on my breasts. He momentarily lets go of my boob and undoes the hankie. My eyes adjust quickly to this tall white Adonis standing totally naked in front of me – with my dark hand holding his cock. I am slightly embarrassed but his smile reassures me.

I look over at Shawna and she smiles too giving me a non-visual thumbs up to go for it. The naked man now sits on the side of the tub. I have never seen him before and probably will never see him again after this. My eyes wander down and fix on his cock. I study this hard cock in my hand and explore it with my fingers. I sense my pussy tingle again. His hand is in the water, swishing the suds and foam around. He cups one of my breasts again and I gasp. He can feel how hard my nipple is and squeezes it between his thumb and forefinger. I wrap my fingers around his hot shaft while he plays with my large tits. I hear my Shawna's heavy breath and I'm reminded of my audience.

→ My lover now swings his legs over the edge of the tub and sits with both feet in the water. He gently pushes my head down and I know what he wants, and I want it too. I take the head of his cock into my warm mouth. Again I think of the feel of this live flesh in my mouth rather than the plastic love toys we women use on each other. I bite it gently to be sure it is real. It gives a little and he gives out a little moan. I look up at him with a devilish smile. He tastes good; a hit of male musk creeps into my nostrils and I lower my head further down his shaft. As I feel him down my throat, I sense his throbbing. How long it will take him to cum? I hope not too quick – I want to enjoy these sensations as long as possible.

My lover's moans echo around the bathroom as I deep throat him; taking him all the way down and then pulling slowly back and rolling my tongue over the engorged head. His grip on my breasts suddenly tightens. A deep moan escapes his lips and I know that time has come. I relax my throat muscles once again and allow his thick cock to slip from my mouth. It throbs and twitches for a few seconds and then spews it's wonderful liquid over my face.

→ **...before I can even mutter a word, he places his hand over his erect cock and I give out a quiet moan. Oh my God, it's a real, and hard, penis in my hand...**

Shawna watches as this big muscular man fucks me like I've never been fucked before.

➡ It lands on my hair and cheek. My lover swings his legs back over the edge of the tub and stands up. He bends and kisses me lovingly on the lips, playfully squeezing my boob for the last time. He gives Shawna a quick look and leaves as silently as he had arrived.

Alone once again with my Shawna, I slip back down into the soapy water and splash the still-warm water over my cheek to clean off. I begin to say something to Shawna when suddenly I hear the door swing open and look up. Another tall man walks in and stands in front of me. He is as naked as the day is long and grins at me with an expectant look. He is not as tall as the first but darker and more muscular. I look down at his imposing cock and notice it is much larger than the previous one. I am slightly taken aback by it's size, but it is very stiff and it's one eye is looking right back at me.

I'm guessing that he must be at least nine inches long and as thick as my wrist. His body is well muscled and toned and his strength clearly evident as he reaches into the tub and lifts me out. He holds me for a moment in his arms looking at me up and down, studying my nakedness. I look over at Shawna. She stands up and comes over to us. She helps me out of his arms but then makes me kneel down on the plushy bath rug. She tells me to lean over and I rest my arms on the rim of the tub and lift up my butt.

He kneels behind me and my pussy moistens as I feel his huge penis nudge against my butt cheeks. I grasp the edge of the tub and feel a momentary sting of concern as I think that he might try to push his enormous cock into my ass. I need not to have worried though, because after a second, I feel the huge head of his penis at the entrance of my pussy. I feel his hands running over my back and sides,

and then glimpse his large dark fingers as they reach around my swaying boobs. His cock is only inside me about three inches but it feels as though I'm already full. I try to relax and let my pussy open to accommodate him as he continues to penetrate further and further up inside me.

This man is not as gentle as the first, but I don't really care. I have become so wet and excited, what I really want – no, need – now is a good solid fuck. I reach between my legs and grab his balls. In between gasps I squeeze and pull on them coaxing his cock deeper into me. My lover fucks me hard and fast for a full ten minutes. My nipples feel stiff and a little sore as he merci-

lessly squeezes and pinches them. But it feels wonderful. Every time his huge cock sinks all the way into me, my throbbing clit is stimulated and I cum again and again. Finally he pulls my titties backwards to him and forces his cock in deeply. With a huge bucking lunge of his hips he pushes me hard against the tub and pulls himself out just in time to let loose his liquid ooze onto my back. He puts himself back inside me and pumps a few more times as if to say – there, bitch – take that.

➡ I don't look back at him. I am completely exhausted and collapse face down on the bath rug. His cock is obviously still wet with our combined juices and he wipes the head between my butt cheeks before he silently leaves.

I stay face down on the floor for several minutes, trying to get my breath back. Then I feel another presence kneeling behind me. I glance around and see Shawna on her knees about to put her face between my cheeks. Strangely, I feel relieved that there is not another man, but my lover who is now about to enjoy me. I feel her spread my cheeks and she begins to lick my moist cunt. As she buries her nose into my pussy, I feel her tongue probing me as she is licking up the juices the man and I just whipped up.

Shawna licks up my butt crack, stopping momentarily at my asshole, and onto my back licking up his splooge. She thrusts her fingers into me as she laps up the creamy stuff. Her mouth finds its way back to my pussy and she licks me until I cum again. I turn over and sit on the rug. I grab her and pull her face into mine so I can taste her and his cum at the same time. She obliges my lust by smearing my lips with hers and I taste us both. It is an unfamiliar taste, but I like it. I get up and get back into my cooling bath and tell Shawna I must finish this blog. She brings me my laptop.

➡ ...I pull her face into mine so I can taste her and his cum at the same time. She obliges my lust by smearing my lips with hers and I taste us both...

I love the look on guys' faces when I tell them that I'm a sexy model for a major website. "But you look so normal." is usually what I hear. "And what does abnormal look like? I just happen to like what I do and I'm damn good at it." That ususallly shuts them up and then we get down to it.

Confessions of a Hot Older Woman

Call Now. 800-735-4058

Must be 18+

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older woman asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!
